

Earl Grey Cream

Earl Grey is world renown as a classic English tea; probably as famous as Tower Bridge or Big Ben. If you are fan of Earl Grey and have not tried this, you are in for a treat. Earl Grey Cream is smooth with vanilla overtones which stand out above the premium bergamot flavor â“ the signature taste of Earl Grey. This is a tea that would complement a meal or any aristocratic occasion for that matter! One has to think that former Prime Minister Charles Grey would have approved of this delicacy.
